Shrimp Fanning along the Coastal Andhra Pradesh and Kerala

2103. SHRI B. K. HARIPRASAD: Will the Minister of AGRICULTURE be pleated to state:

(a) whether it is fact that more and more coastal fanners are taking to shrimp farming along the coastal Andhra Pradesh and Kerala;

(b) whether this unprecedented aqua-culture boom has caught up traditional paddy growers along the coastal districts; thereby diverting paddy fields for aqua-t culture farming threatening a steep fall in paddy production; and

(c) whether this over-exploitation of traditional paddy fields for aqua-culture farming would damage the ecological balance along the coast; and if so, what steps Government propose to take to regulate conversion of agmultural land for shrimp farming?

THE MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES AND THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI S KRISHNA KUMAR): (a) Yes, Sir.

(b) and (c) It has been reported that the extent of conversion of paddy fields into fish farms in the coastal districts is very negligible as compared to the area under agriculture and the decline in paddy production, if any, cannot be mainly at-tributed to the conversion of paddy lands for aquaculture. It is also reported that the[1] extent of impact on paddy fields due to the conversion of agricultural land to fish ponds is very little and the ecological imbalance, if any, can be rectified through improved methods of agricultural production.

The Government of Andhra Pradesh has constituted a Committee under the chair-manship of Commissioner, Land Revenue for studying these issues,

Acquisition of Aircraft for Locust con!

2104. SHRI SANGH PRIYA GAUTA Will the Minister of AGRICULTURE pleased to refer to the answer to Unst red Question 133 given in the Raj Sabha on 3rd December, 1993 and sta
